BRIEF ABSTRACT OF LETTER

Forwards the Sringeri Munic. President's letter requesting the sanction to the Munic. Board's proposal to station two watchers on the roads leading into the town from Agumbi and Koppa with a view to their checking all dutiable goods and passing them on into the town for the levy of the duty thereon -

NOTES AND ORDERS.

Subd. With a view to minimise smuggling the Sringeri Munic. Board proposes to have two out-posts on each of the roads leading into the town from Agumbi and Koppa and ~~stationing~~ stationed a watcher at each out-post, his duty being

to check all articles and pass on dutiable ones into the town for proper duty being levied thereon. The President anticipates that by this arrangement all traces of smuggling will be stamped out and the revenue from Petroi will increase, and recommends that it may be tried for five months from the 1st February 1914 as a tentative measure. The Cost is estimated at Rs 170/- for 5 months and is proposed to be met by a reappropriation of sanctioned grants.

of Gates across two roads = 50

2) It is not clear whether the proposal is to locate the outposts at an appreciable distance from the Municipal limits. If that is the case, it is for consideration whether such a system may not harass the traffic in articles and interfere with the general trade of the Country. There is however no objection to the Municipality adopting a system of efficient border patrol to put down smuggling

6 The finances of the Sirajgere Municipality are not quite sound as the normal expenditure exceeds the normal income. The closing balance in favor of the Municipality is also less than the prescribed minimum working balance by Rs 972. Under these circumstances expenditure on establishments is not advisable.

Vide para 8 of the budget order

But as in this case the additional temporary establishment is intended for improving a source of revenue and the extra charge is to be met by reappropriation, there is no financial objection to the proposal provided no extra is drawn in excess of the allocation and the 25/3/14 work is kept strictly temporary

Sir.

With reference to the repeated orders of Government, inviting the attention of this Municipal Board to the necessity of improving the resources of the Municipality to adequately meet its growing demands, I have the honour to submit for the information of Government that it was brought to the notice of the Board by some of its members in

meeting held on 28th December 191 —
3
of Proceedings relating thereto herein enclosed —
that the arrangement for the collection of
Octroi as existing at present gave room for
smuggling which it is now suggested to
prevent by having two outposts stationed
at the two roads leading into the town
from Agumbe and Kohpa. respectively
and placing two watchers there whose duty
it shall be to check all octroi-leviable
goods and pass them on into the town for
levy of the proper duty by the Octroi Manegar
This arrangement will no doubt stamp out
all traces of smuggling and can be ex-
pected to raise the Octroi income to an
appreciable extent. The arrangement
may, in my humble opinion, be tentatively
sanctioned for a period of five months

from 1st February to 30th June 1914, & be further continued, if necessary, judging from the result of the experience to be gained meanwhile. The arrangement will entail an expenditure of Rs 170/- Rupees One Hundred and Seventy only - as details below: -

		Rs
1.	Construction of two thatched sheds at the outposts for the watchers & S.	50
2.	Preparation and fixing of two gates across the road at the outposts - & S -	50
3	Pay of two watches at Rs 7/- each for five months from 1st Febs & 30th June 1914.	- 70
	Total Rs	170

The Board being agreeable to pass this charge, I request you will be good as & obtain the very early orders of

Government sanctioning the same and directing it to be met by a re-appropriation from the sanctioned grants.

The re-appropriation Statement for this and other items, called for on Government Proceedings No. 1294-5 / Jud 384-12-2 dated 30th July 1913 will be submitted to Government in due course.
